

## A BENEFIT TO YOUR HOMEOWNER AND AN ADDITIONAL REVENUE STREAM FOR YOUR BUSINESS

01

### STEP 1. WHOLESALE PURCHASE

As an HVAC contractor or supplier, you have the ability to purchase the Always Clear device and cartridge at Wholesale Pricing (\$59.95 each for the Always Clear device and cartridge). When you install the device, you charge retail price (\$99.95) PLUS your standard labor rate.

02

### STEP 2. THE SOLUTION

Air conditioning drain line failure is the problem and we have the solution! Always Clear can assist your business with an additional revenue stream and give you an edge over your competitors. Recommending the product is as easy as telling homeowners the benefits of the product to maintain a healthy HVAC drain line.

03

### STEP 3. INSTALL

Easy - in 15 minutes or less! The Always Clear device and cartridge can be installed during the initial HVAC system setup or on a service call. You determine what to charge the homeowner for the device (Suggested retail price is \$99.95). Plus, you charge your standard labor rate for install.

04

### STEP 4. MAINTENANCE

During your yearly service visit, simply insert a new cartridge. Always Clear will automatically send out an email reminder to your client and can ship the cartridge directly to your business or to your customer's home. PLUS...you are paid on every annual cartridge sent to your customer.

05

### STEP 5. RELAX

Relax knowing you have an additional revenue stream and a happy customer with "The Real Solution to a Real Problem!"
